Golf School Guarantee

Golf schools are guaranteed to lower your score or we will refund your money.

Golf is one of the few games where you cannot teach yourself. If you practice bad habits, you will become a frustrated golfer. It is best to have a trained pair of eyes by qualified, trained PGA Professionals to help you develop good practice and swing habits.

Do you know that on average, Putting consists of 43% of the score, Chipping 13% and Pitching (Shots from within 40 yards of the green) another 8%. Why is it then, most average golfers if and when they do practice, head to the driving range and immediately take out the driver?

Remember, amateurs teach amateurs to play like amateurs.
